

WITHOUT HISTORY THERE WOULD BE NO FUTURE

When you donate to the Avery-Copp House Museum, you join a special group of people who care about Keeping History Alive. Your contribution helps to keep our doors open and supports everything we do to engage the public in learning about history through the study of domestic life as it was experienced in this house and the surrounding community. The Avery-Copp House celebrates, preserves, and documents the historic home, its collection, and the grounds belonging to the Avery and Copp families in Groton, Connecticut.
